

Challenger Learning Center Presents

GIRL SCOUTS

STELLAR ADVENTURES

“GIRLS SCOUTS IN SPACE” TOUR

Bring your troop for a one-hour tour of our center. Come "behind-the-scenes" to see how we run things here in space. Girls get to walk the hallways to view artifacts that have been donated by astronauts. They can check out our Space Simulators, Science Lab, Micronauts room and MediaGlobe. Finally, they'll get to visit the gift shop for some Astronaut ice cream and enjoy a planetarium show that has been selected for them!

DATE: Call to schedule

LENGTH: One Hour

PRICE: \$100 for groups up to 15 (leaders and chaperones are included in count). \$5 for each additional person

AGE GROUP: Daisies, Brownies and Juniors

Call 219-989-3250

Space Science & Technology

The Challenger Learning Center of Northwest Indiana, a non-profit, space science education center that opened its doors in 1999, is part of a network of international learning centers that endeavor to carry on the educational mission of the Challenger 51-L crew and the first Teacher in Space, Christa McAuliffe.
