

Proper Procedures 2

Teachers Information:

You should complete this activity yourself before administering it with your class

Instructions:

- Have the students clear their desktop with only a pencil in front of them
- Give each student an activity page facing down
- Instruct the students that on your "go" they should turn their papers over & complete the activity
- Tell the students they will have exactly 5 minutes to complete this activity and you will start the timer on "go"

Proper Procedures 2

Following Directions Activity:

1. Read every item carefully before beginning this exercise.
2. Write your first name in the top right-hand corner of your paper.
3. In the left-hand margin, write numbers 0-10, but write them backwards.
4. Next to number 3 draw 3 triangles.
5. If you were one year older, what would be the year you were born?

6. How many people are in this room right now? How many boys? How many girls?

Total: _____

Boys: _____

Girls: _____

7. List the members of your family from oldest to youngest.

8. Add together the ages of all the people who live in your house.
